AGREEMENT, RELEASE, INDEMNIFICATION, COVENANT NOT TO SUE, AND WAIVER OF LIABILITY

(READ BOTH SIDES OF EACH PAGE CAREFULLY BEFORE SIGNING)

The undersigned agrees that my above-named child or ward will abide by all of the range rules and safety rules of 5 Star Firearms and the undersigned represents that he or she understands all of these rules, and was given the opportunity to ask for clarification of any of the rules before signing this Agreement. The undersigned understands that 5 Star Firearms reserves the right to eject from the premises any individual who violates any of the rules of 5 Star Firearms or otherwise acts in any unsafe manner as determined by 5 Star Firearms. The undersigned agrees to peaceably leave the premises of 5 Star Firearms if so ejected, after paying for all services and merchandise provided. **BY SIGNING BELOW, I HEREBY EXPRESSLY GIVE MY PERMISSION, CONSENT, AND AUTHORIZATION TO ALLOW MY ABOVE-NAMED CHILD OR WARD TO POSSESS, HANDLE AND DISCHARGE FIREARMS AND AMMUNITION ON THE PREMISES OF 5 STAR FIREARMS.**

In consideration of the acceptance of the participation of my child or ward, directly or as a spectator or observer, in any activity, class, competition, firing range rental, firearm rental, or other use of the facilities of 5 Star Firearms (hereinafter, collectively, "Activity"), THE UNDERSIGNED AGREES TO ASSUME THE RISKS incidental to such participation and, on my own behalf, on behalf of my child or ward, and on behalf of my and my child's or ward's heirs, executors and administrators, I RELEASE, INDEMNIFY, HOLD HARMLESS, COVENANT NOT TO SUE, AND FOREVER DISCHARGE the Released Parties defined below, of and from all liabilities, claims, actions, damages, costs or expenses of any nature arising out of or in any way connected with the inherent risk of the Activity. The Released Parties are 5 Star Firearms, its parent, related, affiliated and subsidiary companies, and the officers, directors, employees, agents, representatives, insurers, successors, heirs and assigns of each. The undersigned expressly understands that the term "inherent risk" means those dangers or conditions, known or unknown, which are characteristic of, intrinsic to, or an integral part of the Activity and which are not eliminated even if the Released Parties act with due care in a reasonably prudent manner; and the term "inherent risk" includes, but is not limited to, (1) the failure of any of the Released Parties to warn me or my child or ward of an inherent risk, and (2) the risk that my child or ward, or another participant in any Activity (but not including the Released Parties) may act in a negligent or intentional manner and contribute to the injury or death of my child or ward.

The undersigned further agrees to indemnify and hold the Released Parties harmless from all liabilities, claims, actions, damages, costs or expenses of any nature arising out of or in any way connected with my participation and/or the participation of my child or ward in any Activity which results in the personal injury or death of anyone whatsoever, or loss or damage to the property of anyone whatsoever (including the loss of use thereof). Further, I, the undersigned, agree, on my own behalf, on behalf of my child or ward, and on behalf of my and my child's or ward's heirs, executors and administrators, to pay 5 Star Firearms for any damage to the Released Parties arising in any way out of any Activity and caused in any way, negligently or intentionally, by me, my child or my ward, including, but not limited to, property damages, personal injury damages, cleaning costs, loss of use damages, business interruption damages, damage to goodwill or reputation, medical costs, counseling costs, and attorney's fees.

This Agreement shall be governed by the laws of the State of Illinois, and any legal action arising out of participation by myself, my child or ward in any Activity, or any litigation relating to the enforcement of this Agreement shall be commenced exclusively in the Circuit Court in Lake County, Illinois, as appropriate.

In entering into this Agreement, I hereby grant the Released Parties a limited power of attorney and authorization to obtain, at my cost, any and all emergency medical treatment which may be needed by myself, my child or ward as a result of participation in any Activity. For the purposes of this Agreement, emergency medical treatment means medical care or treatment necessitated by a sudden, unexpected situation or occurrence resulting in a serious medical condition demanding immediate medical attention. However, I release, indemnify, hold harmless, covenant not to sue, and forever discharge the Released Parties of and from all liabilities, claims, actions, damages, costs or expenses of any nature arising out of or in any way connected with the exercise or the failure to exercise such limited power of attorney and authorization, whether negligent or otherwise.

I expressly agree that this Agreement is intended to be as broad and inclusive as permitted by law, and that if any provision of this Agreement is held illegal, invalid or otherwise unenforceable, the enforceability of the remaining provisions shall not be impaired thereby, and such invalid part, term or provision shall not be deemed part of this Agreement. I further agree that any ambiguities in this Agreement shall not be construed in favor or against any party by virtue of that party having drafted the Agreement. No remedy conferred by any of the specific provisions of this Agreement is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedy hereunder shall not constitute any waiver of the right to pursue other available remedies.

NOTICE TO THE MINOR CHILD'S NATURAL GUARDIAN: READ THIS FORM COMPLETELY AND CAREFULLY. YOU ARE AGREEING TO LET YOUR MINOR CHILD ENGAGE IN A POTENTIALLY DANGEROUS ACTIVITY. YOU ARE AGREEING THAT, EVEN IF THE RELEASED PARTIES (DEFINED ABOVE) USE REASONABLE CARE IN PROVIDING THIS ACTIVITY, THERE IS A CHANCE YOUR CHILD MAY BE SERIOUSLY INJURED OR KILLED BY PARTICIPATING IN THIS ACTIVITY BECAUSE THERE ARE CERTAIN DANGERS INHERENT IN THE ACTIVITY WHICH CANNOT BE AVOIDED OR ELIMINATED. BY SIGNING THIS FORM, YOU ARE GIVING UP YOUR CHILD'S RIGHT AND YOUR RIGHT TO RECOVER FROM THE RELEASED PARTIES (DEFINED ABOVE) IN A LAWSUIT FOR ANY PERSONAL INJURY, INCLUDING DEATH, TO YOUR CHILD OR ANY PROPERTY DAMAGE THAT RESULTS FROM THE RISKS THAT ARE A NATURAL PART OF THE ACTIVITY. YOU HAVE THE RIGHT TO REFUSE TO SIGN THIS FORM, AND 5 STAR FIREARMS HAS THE RIGHT TO REFUSE TO LET YOUR CHILD PARTICIPATE IF YOU DO NOT SIGN THIS FORM.

I certify that I am twenty-one (21) years of age or older and that I am entering into this Agreement on my behalf and/or as parent or legal guardian of a child or ward under the age of eighteen (18).

I expressly understand that the aforementioned Activity includes the discharge of firearms and the firing of live ammunition. I further certify that I have completely read the foregoing (on both sides of this page) and I expressly agree to all of the provisions of this Agreement.

NRA Gun Safety Rules

The fundamental NRA rules for safe gun handling are:

1. ALWAYS keep the gun pointed in a safe direction.

This is the primary rule of gun safety. A safe direction means that the gun is pointed so that even if it were to go off it would not cause injury or damage. The key to this rule is to control where the muzzle or front end of the barrel is pointed at all times. Common sense dictates the safest direction, depending on different circumstances.

2. ALWAYS keep your finger off the trigger until ready to shoot.

When holding a gun, rest your finger on the trigger guard or along the side of the gun. Until you are actually ready to fire, do not touch the trigger.

3. ALWAYS keep the gun unloaded until ready to use.

Whenever you pick up a gun, immediately engage the safety device if possible, and, if the gun has a magazine, remove it before opening the action and looking into the chamber(s) which should be clear of ammunition. If you do not know how to open the action or inspect the chamber(s), leave the gun alone and get help from someone who does.

When using or storing a gun, always follow these NRA rules:

- **Know your target and what is beyond.**

Be absolutely sure you have identified your target beyond any doubt. Equally important, be aware of the area beyond your target. This means observing your prospective area of fire before you shoot. Never fire in a direction in which there are people or any other potential for mishap. Think first. Shoot second.

- **Know how to use the gun safely.**
Before handling a gun, learn how it operates. Know its basic parts, how to safely open and close the action and remove any ammunition from the gun or magazine. Remember, a gun's mechanical safety device is never foolproof. Nothing can ever replace safe gun handling.
- **Be sure the gun is safe to operate.**
Just like other tools, guns need regular maintenance to remain operable. Regular cleaning and proper storage are a part of the gun's general upkeep. If there is any question concerning a gun's ability to function, a knowledgeable gunsmith should look at it.
- **Use only the correct ammunition for your gun.**
Only BBs, pellets, cartridges or shells designed for a particular gun can be fired safely in that gun. Most guns have the ammunition type stamped on the barrel. Ammunition can be identified by information printed on the box and sometimes stamped on the cartridge. Do not shoot the gun unless you know you have the proper ammunition.
- **Wear eye and ear protection as appropriate.**
Guns are loud and the noise can cause hearing damage. They can also emit debris and hot gas that could cause eye injury. For these reasons, shooting glasses and hearing protectors should be worn by shooters and spectators.
- **Never use alcohol or over-the-counter, prescription or other drugs before or while shooting.**
Alcohol, as well as any other substance likely to impair normal mental or physical bodily functions, must not be used before or while handling or shooting guns.
- **Store guns so they are not accessible to unauthorized persons.**
Many factors must be considered when deciding where and how to store guns. A person's particular situation will be a major part of the consideration. Dozens of gun storage devices, as well as locking devices that attach directly to the gun, are available. However, mechanical locking devices, like the mechanical safeties built into guns, can fail and should not be used as a substitute for safe gun handling and the observance of all gun safety rules.
- **Be aware that certain types of guns and many shooting activities require additional safety precautions.**
- **Cleaning**
Regular cleaning is important in order for your gun to operate correctly and safely. Taking proper care of it will also maintain its value and extend its life. Your gun should be cleaned every time that it is used. A gun brought out of prolonged storage should also be cleaned before shooting. Accumulated moisture and dirt, or solidified grease and oil, can prevent the gun from operating properly. Before cleaning your gun, make absolutely sure that it is unloaded. The gun's action should be open during the cleaning process. Also, be sure that no ammunition is present in the cleaning area.
